Distant land I'll be wail - child thou surely wilt bless,
I must bid thee good by. Life out there will seem cold
He shall soothe all thy fears! May you both pray for me

But now at our sad part - ing Thy
Night's breeze floats thro' the gloam - ing
When storm - wind tells of dan - ger

Oft when hot tears are start - ing
Yet in dreams I'll be com - ing
Sad a - lone and a stran - ger

I shall feel thy ca - ress.
To thy arms ten-der hold
Mother dear without thee

Oft when hot tears are start - ing
Yet in dreams I'll be com - ing
Sad, a - lone and a stran - ger

I shall feel thy ca ress!
To thy arms ten der hold!
